Business Summary

Keystone Outdoor Gear Co (KOGC) manufactures and sells the TakTable™ and TakTable™ Jr. The patent pending design has unequalled strength when both stowed and deployed, ensuring that it will arrive at remote areas intact and ready to perform.

KOGC was incorporated in Pennsylvania in 2021 for the purpose of designing more useful and rugged outdoor gear. TakTable™ is their first product. It began shipping in December 2022.

This is the most reliable and useful field table available anywhere.
